 If you are paying by credit card, we suggest completing each portion of the form, except the credit card information and calling our office to provide the credit card number.

Note: These materials are not the Fit WIC Baby Behavior or California Baby Behavior Campaign materials. The Fit WIC and California Baby Behavior Campaign materials can be accessed online, free of charge.

* Tax is calculated based on the rate for the location of delivery. Please contact our office if you need assistance determining your tax rate. If you are tax exempt, please let us know.

** Products will be shipped via FedEx and costs are calculated based on subtotal amounts (Orders under \$100 = \$5.00; \$101 - \$300 = \$10.00; Over \$300 = please call). If you'd like to make alternate shipping arrangements, please contact us.

PRODUCT DESCRIPTIONS

7 Secrets of Baby Behavior

Secrets of Baby Behavior Tearsheets

This handout provides parents with a brief introduction to the *7 Secrets of Baby Behavior*. Each secret is accompanied by a short explanation. (8.5 x 11, double-sided)

The Secrets of Baby Behavior

Booklet*

This short booklet provides concise, evidence-based messages for new parents about babies' cues, crying, and sleep patterns. This fully referenced booklet is written at a 12th grade level with large engaging pictures and one topic per page. A newborn-specific section addresses many of the misconceptions about infants that may mislead parents into unnecessarily supplementing their newborns. Perfect for use in hospitals, doctor's offices, medical clinics and other environments where young families are served. (7 x 9, 35 pages)

**Paper copies are currently out of stock. An e-book can be purchased on Amazon.com, by searching "The Secrets of Baby Behavior" or using this link:*
